Night-light curfew record

Specify the affected window or boundary point and the observation period.

Firm / organisation

Client / matter reference

Condition, room or investigation reference

PRICE AND ORDER BASIS

€399 Night-Light Box / price for enquiry

Request written confirmation of availability, delivery, service term and destination VAT before authorising the cost.

SPECIFICATION

Describe the window, room or authorised boundary point, the position and orientation and any written switch-off condition. Keep the measurement position consistent.

RECORD REQUESTED

Ask for dated, camera-free brightness readings over 28 nights and a downloadable timeline PDF. Record separate diary entries for sleep disturbance and other effects.

USE IN THE FILE

A rise in brightness can identify a time for inspection. A reading alone cannot identify the lamp, measure its effect on a resident, establish statutory nuisance or replace a lighting survey.

DELIVER DIRECT TO THE CLIENT

Delivery name, address and Eircode / postcode

Self-install only with permission. Ask the supplier to confirm the proposed dispatch date on the quotation.

Agree the cost with the client before ordering. Record the actual supplier invoice and applicable tax treatment on the matter ledger. Keep this completed copy in the client file.
